Message from the pastor

The numbers and charts in this report tell a small part of the story of our parish this past year. It's a story of young people encountering Jesus, of visits made to seniors, of food distributed to those in need, of a resettled refugee family and of worship and celebrations that praise God and express love.

The story is about small repairs to our beautiful facilities and the installation of a barrier-free washroom that ensures that anyone, regardless of ability, is able to participate in the worship and celebration of our community.

As this story continues into 2020, it will, indeed, be a story that is filled with challenges. But, thanks to the generosity and love of those who build up our community, it will undoubtedly be a story of joy too.

Fr. Craig Cruikshank

Guide for converting from weekly offerings

Because there are not exactly four weeks in a month, converting from a weekly to a monthly or semimonthly offering requires multiplying your current weekly offering by 4.33 or 2.17 respectively. In the chart below, the calculation (rounded up to the next dollar) has been done for you.

I used to give this amount each week	If I opt to eGive once a month, I should give...	If I opt to eGive twice a month, I should give...
