### Message from the pastor

While the challenges of the pandemic have disrupted many parts of life and even changed the usual way we worship and share our faith, the people of Saint Joseph Church have responded with courageous generosity.

Thanks to many generous contributions, our beloved staff had continuous employment, the food bank has fed all who sought help and new, creative methods of outreach have ensured that the Gospel message continues to be proclaimed in Bowmanville.

However, as we recover from the pandemic, we remember our call, as the disciples of today, to help our parish grow as a constant reminder of God's love for all. Our giving is a great way to do just that!

Fr. Craig Cruikshank

# 2020 Pastoral Report Summary

Of course, there's so much more to our parish than financial figures. An annual Pastoral Report outlines many of the pastoral and spiritual efforts of our parish. It tells of the many who encountered Jesus through the Sacraments and worship, it speaks of those who call Saint Joseph Church thier home and it relays how life in our parish grows and reveals the love of God. This is how the financial resources of those who generously contribute to our parish are used to touch hearts, serve those in need and fulfill the great mission to go and make disciples.
